

**Minutes of  
Executive Committee Meeting of  
Lamma Cricket Club**

on

27th September 2006 at 6:30pm  
Montpelier Office, 3408 Edinburgh Tower, Central

**Present:**

Ian Harling, Brad Tarr, Kim Leung, Kay Beadman, Jonno Seifman & Ian Beck

**Apologies:**

Kev Bishop, Mark Burns

**Membership Fees and Match Fees**

A decision was made to re-increase the Men's match fee to HK\$150. This is due to increased costs in catering and net sessions which were not known until after the AGM.

Clarification was required regarding new LCC player's shirt. Only new players receive the shirts, current members use the shirts they were given the previous season.

**Clothing and Equipment**

Most of the kit on order had arrived and looks great. There is a delay on the rest of it but understand it should arrive soon.

A new order of shirts is being looked into.

**Club Organisation**

There were very few ECM's but the Club seems to be running well. -There is also good communication within the EC and when there is a problem, it has been solved quickly.

**Net Practice**

Pakistan Assoc. Club nets are being used and facilities are good but expensive. The IRC is to be considered but until this has been done, the nets for the Men remain on Monday and Tuesday for the Women.

**Tour Organisation**

In future, any tours organised must include at least 2 members of the ECM in all correspondence to help make a decision if a tour should go ahead or be cancelled. Deposits must be given and may be non-refundable. In general, the ECM will help in tours once an entry fee is paid.

There was disappointment of the team that went on a recent tour which had poor representation of the Club's actual members and was costing the Club money and we wish to avoid this situation in future.

**Future Tours**

LCC will look at travelling to cricket matches outside of HK again this coming season. Suggested tours were Bangkok or Chiang Mai for 11-a-side matches involving a Men's team and a Women's team on the same weekend, as well as the usual suspects of the Chiang Mai 6's and Phuket 6's.

**Social Events**

Looking forward to getting the social events happening and good things are expected from our social committee of Bethan, Kylie & Toby.

**AOB**

Any correspondence on behalf of Lamma CC **must** be approved by the ECM. This includes any complaints, sponsorship agreements, ordering equipment, catering, etc.

Jonno wanted to order a pizza but it was too late.

Close – 8pm.
